AIO® Ceiling Suspended (with ERV Option) Shroud Extension (R120295A299)

Installation Instructions

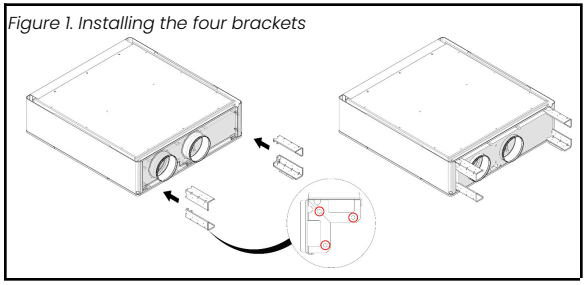

innova

INSTRUCTIONS

To install the AIO® Ceiling Suspended Shroud Extension::

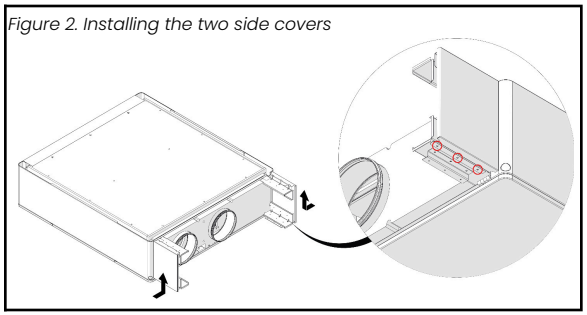

1. Disconnect the power supply from the unit
2. Install the four brackets at the corners of the unit's exterior.

Figure 1. Installing the four brackets

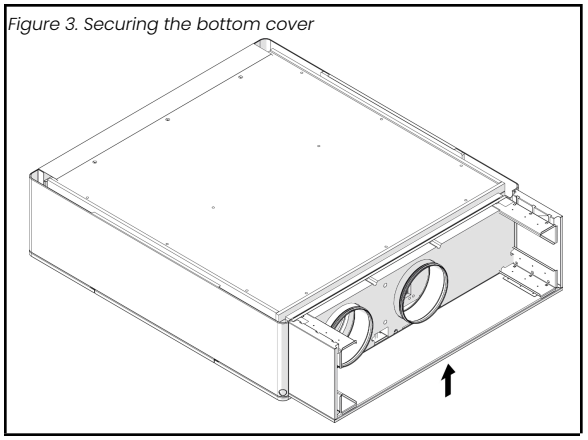

3. Remove the insulation from the four corners to locate the holes.
4. Using the supplied screws, secure the four brackets to the unit.
5. Reposition the insulation on the unit (if necessary, use double-sided tape).
6. Using the supplied screws, install the two side covers on the brackets.
